Understanding your health coverage

Insurance Company

Contact your insurance company or visit their online directory to get details on your coverage and list of providers. Please note that some providers may not take health insurance, but please don't let that be a barrier to seeking help. Contact your insurance company if you are having difficulty finding a provider who takes your insurance.

Maryland Parity Project

The Maryland Parity Project can assist you to navigate private insurance barriers to accessing mental health care, including helping with appeals or complaints. Call 443-901-1550 or visit www.marylandparityproject.org.

Beacon Health Options

Beacon Health Options manages the mental health and substance use disorder benefit or medical assistance recipients. Contact them for assistance in finding a provider or accessing services. Call (800) 888-1965 or visit www.maryland.beaconhealthoptions.com.
